Volume 13 Index

NO. 1, FALL 2002	1–116
NO. 2, WINTER 2002	117–208
NO. 3, SPRING 2003	209–302
NO. 4, SUMMER 2003	303–427

Italic page numbers in index (for example, *408*) refer to pages with tables or figures.

A

ABI/Inform, 404
Access to care performance, 405, 406, 407, 408–409, 411
Accountability: of executives, increased demand for, 224; in faith-based organizations, 55, 56, 57, 58, 59, 60, 61; in social entrepreneurship, 86–87. *See also* Social accounting
Accounting controls: conclusion on, 362; in control environment, 352, *353*; and CPA audits, 359–362; goals of, 347, 348, *349*; as internal control, 348; over disbursements, 355, *356*; over receipts, 353–354; over reporting, 357, *358*
Accreditation bodies, oversight by, 60. *See also specific agencies*
Action plans, national, and European integration, 248–249
Active arts participation. *See* Artist participation
Active members versus passive members, 191–196, 199. *See also* Passive support
Activist paradigm, 161
Activists, grassroots, 129
Activity rates, concern over, 187
Acupuncture advocacy technique, 127
Administrative cost ratio, *28*, *29*; defined, 18
Admissions director, 98, 99
Advocacy: definition of, 127; types of, 125
Advocacy development phases, 131
Advocacy strategy, corporate engagement as, exploring, 123–135
Affection, economy of, 74, 76
Affiliations. *See specific type*
Affirmative action, in India, 142
Age factor: and arts participation, 9, *10*, *11*, 12, 13; and fundraiser characteristics, 97; in passive support, 196; in planned giving, 104; in volunteer participation, 37, 40, 42, 47; and YSB survival, 255, 256
Agency theory, 214–215, 222, 224
Aid Association for Lutherans, 54
Aid to Dependent Children program, 326
Aid to Families with Dependent Children (AFDC), 326, 327
Alcoholics Anonymous (AA), 157
Alienation, assuaging, 232
Alternative approach, self-help groups as, 157, 158, 159
Altruism: and artist participation, 7–8, 13; and donor motivation, 92, 93; and induced egoism, 101; and joining associations, 192; and volunteer participation, 39–40, 43; and women entrepreneurship, 147
Alumni giving, predicting, 94–96, 104
Amateurs, in the arts, 5, 6, 7–8, 9, 11–13
Ambiguity, 72–73
American Enterprise Institute, 231
American Health Systems, 403
Andreescu, V., "The Role of County-Based Funders in Sustaining Nonprofits Within Rural and Urbanized Counties," 253–266
Andrew W. Mellon Foundation, 96
Annie E. Casey Foundation, 334
Annual fund gifts, 103
Anthropological approach, 69, 71, 77–79
Anticipatory decision-making style, 173, 174, 176, 183, 184
Antipoverty measures, focus on, 69, 74, 139
Appeals, 101
Appreciation and recognition, for fundraisers, 98
